

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Muya Power Cable with Rd/blk Plugs

Manufacturer: MUYA

Model: SUR-GEN-03163

Availability: In Stock

Description

A DC power cable with a barrel-style connector on one end and color-coded red (positive) and black (negative) leads on the other, used to tap 12V power from a battery or supply for field equipment. The red/black coding allows quick, error-free polarity connection.
