Muya Fiberglass Tape Measure 100m

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Muya Fiberglass Tape Measure 100m

Manufacturer: MUYA

Model: MEA-GEN-03333

Availability: In Stock

Description

A 100-metre open-reel fiberglass surveyor's tape with a durable ABS cross-frame, rubberized handle, and a folding steel crank for fast rewinding. The reinforced fiberglass blade resists stretching and moisture, making it suitable for large-scale land and construction surveys.
