Muya Telescopic Alidade

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Muya Telescopic Alidade

Manufacturer: MUYA

Model: SUR-GEN-03467

Availability: In Stock

Description

A telescopic alidade — a sighting instrument with a small mounted telescope, level, and vertical circle used together with a plane table for graphical surveying. It allows the surveyor to take inclined sights, improving the accuracy and range of readings compared to a plain sighting alidade.
