Muya Long Steel Oil Measuring Tape, Alloyed DI9430 30m

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Muya Long Steel Oil Measuring Tape, Alloyed DI9430 30m

Manufacturer: MUYA
Model: MEA-GEN-03959
Availability: In Stock

Description

A steel oil-dipping/gauging tape wound on a compact reel with a crank handle and a brass plumb-bob weight attached to the tape end. It is used to measure liquid depth in storage tanks by lowering the graduated tape and weight into the tank.
