TokNav TCA920 2D choke ring antenna

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

TokNav TCA920 2D choke ring antenna

Manufacturer: TOKNAV
Model: GEN-TOK-5670421
Availability: In Stock

Description

The TokNav TCA920 is TokNav's mini choke-ring reference antenna, built for base-station/CORS and deformation-monitoring installs. It tracks all major GNSS constellations (GPS, GLONASS, BDS, Galileo, QZSS, SBAS) and uses its choke-ring housing to strongly suppress multipath interference for high-precision positioning. It is rugged and sealed (IP67) for outdoor field use.
