Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Runione Rs-base Gnss Receiver Set

Manufacturer: RUNIONE

Model: SUR-RUN-04751

Availability: In Stock

Description

The RS Base is Runione's dedicated base-station receiver, built in a wider, flatter housing than the rover units to house its high-power 5W UHF radio (up to 30km range) and a large 13,200mAh battery for full-day unattended operation.
