Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Garmin Etrex Se Gps Handheld

Manufacturer: GARMIN

Model: SUR-GAR-010-02734-00

Availability: In Stock

Description

The Garmin eTrex SE is a rugged handheld hiking GPS built for long-haul outdoor use, offering up to 168 hours of battery life on two AA batteries. It features a sunlight-readable monochrome display, multi-GNSS positioning (GPS, GLONASS, Galileo, BeiDou, QZSS), and a tilt-compensated digital compass. Additional functions include live Geocaching updates, real-time weather, and Bluetooth pairing with the Garmin Explore app for trip planning. It carries an IPX7 waterproof rating.
