GINTEC G40 AR Base GNSS Receiver Kit Incl. Internal UHF-GSM Modem

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

GINTEC G40 AR Base GNSS Receiver Kit Incl. Internal UHF-GSM Modem

Manufacturer: ERP Manufacturer #22

Model: SUR-GIN-01826

Availability: In Stock

Description

GINTEC G40 AR GNSS receiver with revolutionary vision technology. Experience real-time visual layout, eliminating repetitive pole adjustments. Our professional-grade camera ensures clear visibility even in challenging lighting conditions. Our fusion algorithm combines satellite and inertial navigation with visual perception, replacing outdated compass-based systems. Enjoy unparalleled accuracy without magnetic interference. With 1408 channels, the G40 enhances fixed performance by an outstanding 20% even in obstructed environments. Upgraded with our GINTEC 5 satellites + 21 frequencies solution engine, the chip's computational power is boosted by 40%, enabling precise calculations using a wid...
