

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Harxon HX-U202 External Radio

Manufacturer: ERP Manufacturer #29

Model: SUR-HAR-01883

Availability: In Stock

Description

HX-U202 is an IP67 (NEMA6) classified UHF radio modem with a high power(35W) transmitter and wide tuning range. It was designed for easy mobile use in demanding field conditions. According to the IP67 standard, the casing and connectors of the U202 are waterproof secured against dust. In addition to the high output power and wide tuning range, the channel spacing is also selectable to be 12.5 or 25 kHz. U202 is equipped with a digital tube, four LED and three keystrokes, used to indicate the current operating status, as well as for changing the operating channel and power level of the radio modem. With our radio modems, setting up a local data transfer network is quick and cost effective. Your wireless...
