

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

GSSI 200 HS Wheel Kit

Manufacturer: ERP Manufacturer #36

Model: SUR-GSS-01973

Availability: In Stock

Description

The wheel kit is compatible for the 200 HS antenna and future GS Series antennas. This kit comes with 4 wheels and proper mounting brackets to attach onto the antenna. The wheel kit will help decrease the wear on the bottom of the antenna and is built for easier travel in high wear data collection areas such as asphalt and concrete.
