

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

FOIF CH-04 Charging Adapter

Manufacturer: ERP Manufacturer #3

Model: SUR-SUZ-03270

Availability: In Stock

Description

The FOIF CH-04 is a high-precision, single-slot charging adapter specifically engineered for the BP-5S Li-ion battery series. Commonly utilized by professionals using FOIF, Stonex, and Unistrong GNSS RTK systems, this adapter serves as a critical power management tool for hand-held controllers and receivers that rely on the slim-profile 5S battery architecture. Key Features Dedicated BP-5S Compatibility: Custom-tailored for the unique voltage and contact alignment of the BP-5S battery, ensuring a perfect physical fit and optimal electrical transfer. Intelligent Auto-Shutoff: Equipped with smart charging logic that detects when the battery reaches 100% capacity, automatically terminating...
