# Reed R2400-Kit Thermometer, Thermocouple With 3 Probes And Case, Kit

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

# Reed R2400-Kit Thermometer, Thermocouple With 3 Probes And Case, Kit

**Manufacturer:** ERP Manufacturer #8

**Model:** MEA-REE-00821

**Availability:** In Stock

## Description

This REED R2400-KIT Thermocouple Thermometer Kit Includes REED R2400 Type K Thermocouple Thermometer: Quick responding, displays temperature in Celsius, Fahrenheit and Kelvin. REED R2920 Surface Thermocouple Probe: This surface thermocouple probe is designed for flat or convex surface temperature measurements. Exposed ribbon allows for direct contact with surface. REED R2940 Air/Gas Thermocouple Probe: Specially designed to measure air or gases in heating and cooling units, ovens and engine exhausts. REED R2950 Immersion Thermocouple Probe: This immersion probe is recommended for immersion applications and is excellent for checking the temperature of water, oils and non-corrosive fluids and gels...
