Reed R6200 Heat Stress Meter, Barometric Pressure, Wbgt

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R6200 Heat Stress Meter, Barometric Pressure, Wbgt

Manufacturer: ERP Manufacturer #8

Model: MEA-REE-00866

Availability: In Stock

Description

This heat stress meter measures temperature, humidity, and direct or radiant sunlight with Wet Bulb Globe Temperature (WBGT). With this information the R6200 determines the "What it feels like" temperature. The R6200 is OSHA recommended and also features a user-adjustable WBGT audible alarm and the ability to measure heat index, dew point and barometric pressure. Features Measures ambient temperature, humidity, wet bulb temperature, black globe temperature, WBGT (wet bulb global temperature), heat stress index, dew point and pressure Heat Stress Index measures how hot it feels when humidity is combined with temperature, air movement and radiant heat Black Globe Temperature (GT) monitors ...
