Reed GU-3001 Electromagnetic Field Meter

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed GU-3001 Electromagnetic Field Meter

Manufacturer: ERP Manufacturer #8

Model: MEA-REE-00901

Availability: In Stock

Description

This Electromagnetic Field (EMF) Meter measures both AC and DC magnetic field in milliGauss and microTesla with a uniaxial Hall effect sensor. Optional accessories include a tripod and AC adapter for continuous long-term monitoring. Optional PC software also allows a user to track live measurements. Features Measures AC and DC magnetic fields milliGauss (mG) or microTesla (μ T) N pole / S pole indicator Data hold and Max/Min functions Zero adjustment button for relative measurements Easy-to-read LCD display Optional PC software features live tracking via USB connection Tripod mount for long-term monitoring Low battery indicator and auto shut off Ideal Applications for the REED C-3...
