

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5015 MA Clamp Meter, Trms, AC/DC

Manufacturer: ERP Manufacturer #8

Model: MEA-REE-00950

Availability: In Stock

Description

This compact auto-ranging mA clamp meter is capable of measuring AC/DC current/voltage, resistance and capacitance. The R5015 features high resolution AC/DC mA readings on a 6000-count backlit LCD display, diode check and continuity functions and a non-contact voltage detector built into the clamp tip. Features Measures AC/DC current/voltage, resistance and capacitance High resolution 0.1 mA (AC) and 1 mA (DC) True RMS for AC current/voltage 6000-count backlit LCD display Built-in non-contact voltage detector with LED indicator V.F.C (variable frequency control) mode for air-conditioner maintenance and diagnostics Low battery and over range indicators Diode test and continuity check...
