

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5600 Insulation/Resistance Meter

Manufacturer: ERP Manufacturer #8

Model: MEA-REE-01001

Availability: In Stock

Description

This insulation tester is capable of measuring 250V, 500V or 1000V test voltages and insulation resistance up to 2000MΩ. The R5600 features an easy-to-read backlit dual display, durable double molded plastic housing and lock function with hanging strap for handfree operation in the field. Features Backlit dual displays insulation resistance and test voltage simultaneously 250V, 500V or 1000V test voltages and insulation resistance up to 2000MΩ Lock function and hanging strap for handfree operation Lo Ω function for testing connections Datahold function Double molded plastic housing for added protection Low battery indicator and auto shut off Cat. III, 1000V safety rating Ideal Ap...
