Reed R7150 Tachometer, Photo/Contact, 99,999 Rpm/19,999 Rpm

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R7150 Tachometer, Photo/Contact, 99,999 Rpm/19,999 Rpm

Manufacturer: ERP Manufacturer #8

Model: MEA-REE-01105

Availability: In Stock

Description

This tachometer features both the ability to measure RPM (revolutions per minute) in rotational equipment and surface speed m/min (meters per minute) / ft/min (feet per minute) with included contact adapters. The built-in laser for non-contact measurement provides accurate measurements up to 6.5 ft (2000 mm) away from target. Features Dual function unit with both contact and non-contact capabilities. Provides fast and accurate RPM measurements of rotating objects and surface speed measurements MPM (meter per min) and FPM (feet per min). Laser provides improved accuracy at a greater distance. Internal memory recalls min/max and last value. LCD Display reverses depending on measurement mode...
