

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R8500-ART 5.5mm Articulating Camera

Manufacturer: ERP Manufacturer #8

Model: MEA-REE-01124

Availability: In Stock

Description

This articulating camera has a 220° articulating tip allowing for an optimal viewing angle in hard to reach areas. Easy one-handed operation of the camera tip facilitates viewing in obstructed areas where a standard gooseneck camera is unable to access. For use with the REED R8500 Video Inspection Camera.

Features

- 5.5mm waterproof (IP67) camera head
- 220° articulating head
- 340° camera rotation
- Four high visibility LED lights
- For use with R8500 Video Inspection Camera

What's included with the REED R8500-ART
