Reed R6200 Heat Stress Meter, Barometric Pressure, Wbgt

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R6200 Heat Stress Meter, Barometric Pressure, Wbgt

Manufacturer: Reed Instruments

Model: MEA-REE-00866

Availability: In Stock

Description

The REED R6200 is a handheld heat stress meter that reports Wet Bulb Globe Temperature (WBGT) alongside air, black globe, and wet bulb temperature, humidity, dew point, heat index, and barometric pressure (300-1100 hPa range) on a backlit multi-line LCD. It includes a user-adjustable audible WBGT alarm, min/max/average logging, and can store up to 99 readings for OSHA-style workplace heat monitoring.
