Reed R6018-P Replacement Electrode Pins For R6018

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R6018-P Replacement Electrode Pins For R6018

Manufacturer: Reed Instruments

Model: MEA-REE-00879

Availability: In Stock

Description

A pair of replacement threaded electrode pins for the REED R6018 dual pin/pinless moisture meter. These metal contact pins screw into the meter's pin-mode sensor head and are used to take direct-contact moisture readings in materials such as drywall, plaster, wood, concrete, and mortar. Replace worn or damaged pins to keep pin-mode readings accurate.
