

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R3500 Ph Meter, Pen, 0 To 14ph

Manufacturer: Reed Instruments

Model: MEA-REE-00880

Availability: In Stock

Description

The REED R3500 is a pen-style digital pH meter covering a 0-14 pH range with a dual LCD screen showing pH and temperature readings simultaneously. It offers automatic temperature compensation, a replaceable electrode module, and a waterproof body, and runs on four LR44 batteries. The kit typically ships with a protective cap and hard carrying case.
