Reed R9400 Carbon Monoxide Meter With Temp

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R9400 Carbon Monoxide Meter With Temp

Manufacturer: Reed Instruments

Model: MEA-REE-00909

Availability: In Stock

Description

A handheld carbon monoxide meter that reads CO concentration from 1 to 1000 ppm alongside ambient temperature on a backlit LCD. Includes a user-adjustable alarm limit, data hold and max-value capture, a self-test startup sequence, and auto shut-off; it runs on 4 AA batteries for roughly 200 hours. Useful for checking furnaces, water heaters, and gas appliances for CO leaks.
