Reed R9450 Carbon Monoxide Meter With Temp/Humidity, Desktop

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R9450 Carbon Monoxide Meter With Temp/Humidity, Desktop

Manufacturer: Reed Instruments

Model: MEA-REE-00911

Availability: In Stock

Description

A desktop/wall-mount monitor that simultaneously displays carbon monoxide (0-999 ppm), relative humidity (10-90% RH), temperature (0-50C), and the time/date on one LCD screen. It offers a user-adjustable CO alarm limit, max-hold function, and a built-in clock/calendar, and runs on 4 AAA batteries or the optional R9450-ADP AC adapter. Suited to continuous CO monitoring in offices, garages, and warehouses.
