Reed R9450-ADP International Power Adapter For R9450

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R9450-ADP International Power Adapter For R9450

Manufacturer: Reed Instruments

Model: MEA-REE-00912

Availability: In Stock

Description

An AC mains power adapter for the REED R9450 carbon monoxide monitor (also compatible with the R6200), letting it run continuously off wall power instead of batteries. It ships with four interchangeable regional plug heads for international use, making it convenient for travel or overseas deployment.
