

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R1920 Sound Level Meter, Compact

Manufacturer: Reed Instruments

Model: MEA-REE-00920

Availability: In Stock

Description

The REED R1920 is a compact, palm-sized sound level meter built for quick one-handed noise checks, measuring from 30 to 130 dB with fast/slow response and data hold/min-max functions. Its backlit display and auto shut-off make it convenient for spot noise assessments in workplaces or job sites. A budget-friendly option for basic occupational noise screening.
