Reed R8050 Sound Level Meter

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R8050 Sound Level Meter

Manufacturer: Reed Instruments

Model: MEA-REE-00921

Availability: In Stock

Description

The REED R8050 is a dual-range Type 2 sound level meter covering 30-100 dB (Lo) and 60-130 dB (Hi), with selectable A/C frequency weighting and fast/slow time response for both brief bursts and averaged readings. It's a solid all-around choice for general workplace and environmental noise measurement. Also available bundled with a calibrator as the R8050-KIT.
