Reed LM-81LX Light Meter, 20,000 Lux

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed LM-81LX Light Meter, 20,000 Lux

Manufacturer: Reed Instruments

Model: MEA-REE-00934

Availability: In Stock

Description

A compact, pocket-friendly light meter for quick Lux or Foot-candle readings up to 20,000 Lux (2,000 Fc). It auto-ranges, tracks minimum and maximum values, and includes a data-hold button plus zero adjustment for one-handed use on the job site. A handy choice for photographers, facility managers, and anyone checking lighting levels against code.
