Reed R1930 Light Meter, 200,000 Lux, Compact

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R1930 Light Meter, 200,000 Lux, Compact

Manufacturer: Reed Instruments

Model: MEA-REE-00936

Availability: In Stock

Description

This compact digital light meter measures illumination up to roughly 200,000 Lux (18,580 Fc) with a bright backlit LCD, data-hold, and min/max capture. Auto shut-off after five minutes of inactivity helps conserve its 3xAAA batteries, making it practical for photography, museum lighting checks, and general facility inspections.
