

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5015 MA Clamp Meter, Trms, AC/DC

Manufacturer: Reed Instruments

Model: MEA-REE-00950

Availability: In Stock

Description

The REED R5015 is a compact, auto-ranging True RMS clamp meter built for precise low-current mA measurements alongside standard AC/DC current, voltage, resistance, and capacitance readings. It features a bright 6000-count backlit display, a built-in non-contact voltage detector in the clamp tip, and diode/continuity testing for fast electrical troubleshooting.
