Reed R5020 Clamp Meter, 400A AC W/Temp

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5020 Clamp Meter, 400A AC W/Temp

Manufacturer: Reed Instruments

Model: MEA-REE-00952

Availability: In Stock

Description

The REED R5020 is a rugged 400A AC clamp meter designed for electricians and maintenance teams who need fast current, voltage, resistance, capacitance, and frequency checks in the field. It adds built-in temperature measurement via thermocouple and a non-contact voltage detector, making it a versatile everyday diagnostic tool.
