Reed R5050 Clamp Meter, Trms, 1000A AC/DC W/Temp

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5050 Clamp Meter, Trms, 1000A AC/DC W/Temp

Manufacturer: Reed Instruments

Model: MEA-REE-00958

Availability: In Stock

Description

This durable True RMS clamp meter is capable of measuring AC/DC current and voltage, resistance and frequency. Featuring a 4,000 count LCD display with a 42-segment analog bargraph, the R5050 includes a peak hold and min/max functions. Features Measures AC/DC current/voltage, resistance and frequency 4000-count LCD display with analog bargraph Low battery and overrange indicators True RMS measurements Min/Max, display hold, peak hold and relative mode Diode test and continuity check functions Cat. III 600V, Cat. II 1000V safety rating Ideal Applications for the REED R5050 Industrial maintenance teams performing scheduled and preventative maintenance on electro-mechanical equipment ...
