Reed R5090 Power Meter

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5090 Power Meter

Manufacturer: Reed Instruments

Model: MEA-REE-00970

Availability: In Stock

Description

The REED R5090 plugs into a standard outlet to track how much power an appliance is drawing and what that's costing you, once you enter your local utility rate. Beyond energy monitoring, it doubles as a power-quality checker, displaying voltage, current, wattage, frequency, and power factor on its dual LCD screen.
