Reed R5600 Insulation/Resistance Meter

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R5600 Insulation/Resistance Meter

Manufacturer: Reed Instruments

Model: MEA-REE-01001

Availability: In Stock

Description

The REED R5600 combines an insulation resistance meter and general multimeter in one rugged, double-molded housing. It offers test voltages of 250V, 500V, and 1000V with insulation resistance measurement up to 2000 megohms, plus a continuity test with audible beeper. The dual backlit display and hands-free hanging strap make it convenient for field electrical work, and it meets the CAT III 1000V safety standard.
