Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed FC-170A Safety Test Probes

Manufacturer: Reed Instruments

Model: MEA-REE-01009

Availability: In Stock

Description

Heavy-duty industrial test probes with stainless-steel sharp-point tips designed to safely pierce wire insulation for accurate readings. Featuring an ergonomic grip and rated CAT III 1000V / CAT IV 600V at 10A, they're built for demanding electrical troubleshooting where durability and precision both matter.
