

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed FC-300 Test Leads, Fused

Manufacturer: Reed Instruments

Model: MEA-REE-01011

Availability: In Stock

Description

A rugged 48-inch fused test lead set with stainless-steel, insulation-piercing tips and a comfortable non-slip grip. Built-in fuses add an extra layer of protection during live testing, and the set is safety-rated CAT III 1000V / CAT IV 600V at 10A for professional electrical work.
