

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed FC-A18 Electronic Test Probes

Manufacturer: Reed Instruments

Model: MEA-REE-01014

Availability: In Stock

Description

Compact electronic test probes with fine, sharp tips built for precise probing of small components and circuit boards. Rated CAT II 1000V, they're suited for bench work and electronics testing where standard-size probes are too bulky.
