Reed FC-A23G Deluxe Safety Test Lead Kit

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed FC-A23G Deluxe Safety Test Lead Kit

Manufacturer: Reed Instruments

Model: MEA-REE-01016

Availability: In Stock

Description

A complete safety-rated test lead kit built for general electrical work, pairing shrouded banana-plug leads (straight and right-angle) with insulated alligator clips and sharp-tipped probes for reaching tight terminals. Push-style test clips add a quick, tool-free way to tap into wires and boards. Everything packs into a soft carrying case, so the full set stays organized and ready to grab for a job.
