Reed TL-88-A15 Safety Test Leads W/ Alligator Clips

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed TL-88-A15 Safety Test Leads W/ Alligator Clips

Manufacturer: Reed Instruments

Model: MEA-REE-01023

Availability: In Stock

Description

A rugged safety test lead kit pairing a matched set of right-angle/straight banana-plug test leads with a set of insulated alligator clips. Rated CAT III 1000V/10A, it's built for safe voltage and continuity checks with multimeters and other test instruments. The insulated boots on both the leads and clip jaws protect against accidental shorts during field use.
