Reed SD-6020 Force Gauge, 20kg, Data Logger

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed SD-6020 Force Gauge, 20kg, Data Logger

Manufacturer: Reed Instruments

Model: MEA-REE-01055

Availability: In Stock

Description

A handheld digital force gauge that measures push and pull loads up to 44 lb (20 kg) with a reversible display for easy reading in either testing direction. Built-in real-time data logging writes directly to an SD card at user-selectable sampling rates, letting you export results straight to Excel without extra software. Runs on replaceable batteries or an optional AC adapter for continuous monitoring.
