Reed SD-6100 Force Gauge, 100kg, Data Logger

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed SD-6100 Force Gauge, 100kg, Data Logger

Manufacturer: Reed Instruments

Model: MEA-REE-01057

Availability: In Stock

Description

A higher-capacity version of REED's SD-series force gauge, recording push and pull forces up to 220 lb (100 kg) with the same reversible-display design. It logs readings to an SD card for quick Excel-ready reports and ships with an extension rod plus flat, cone, hook, and chisel attachment heads in a hard carrying case. Well suited for heavier-duty tension and compression testing in industrial or QC settings.
