# Reed SD-8205 Vibration Meter, Data Logger

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

# Reed SD-8205 Vibration Meter, Data Logger

**Manufacturer:** Reed Instruments

**Model:** MEA-REE-01059

**Availability:** In Stock

## Description

A vibration meter and data logger that tracks machinery velocity and acceleration to flag abnormal vibration levels, measuring per ISO 2954 with RMS, peak-hold, and min/max recording. It logs data to a built-in SD memory card and connects via RS-232 or USB for easy download to a computer. Comes complete with a magnetic-base vibration sensor, cable, and hard carrying case, making it a practical tool for routine machine-condition monitoring.
