Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed BS-15-9C 39mm Replacement Camera Head For BS-150

Manufacturer: Reed Instruments

Model: MEA-REE-01117

Availability: In Stock

Description

A genuine 9mm replacement camera head with a 3-foot gooseneck cable, built to swap onto your REED BS-150 video borescope when the original probe wears out or is damaged. It carries built-in LED lighting to illuminate dark cavities and pipes during inspection work.
