# Reed R8500 Video Boroscope, Recordable 9mm

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

## Product Overview

### Reed R8500 Video Boroscope, Recordable 9mm

**Manufacturer:** Reed Instruments

**Model:** MEA-REE-01119

**Availability:** In Stock

## Description

The REED R8500 is a recordable video inspection camera with a slim, waterproof 9mm camera head on a flexible 1-meter gooseneck cable, extendable up to 30 feet for deep inspection work. It features a 2.5 to 2.7-inch color LCD screen, built-in LED lighting, and saves photos and video straight to an SD card, making it well suited for plumbing, HVAC, and automotive inspection tasks.
