

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R8500-20M 9.8mm Cam, 20m Cable

Manufacturer: Reed Instruments

Model: MEA-REE-01120

Availability: In Stock

Description

This camera head attachment extends the REED R8500's reach with a 9.8mm waterproof (IP67) camera on a convenient 20-meter cable reel that straps to your belt for long-run inspections. Four bright LEDs light the way through pipes, ducts, and other tight spaces, while a durable design holds up to repeated use in the field.
