

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R8500-3MEXT 3m Cable Extension

Manufacturer: Reed Instruments

Model: MEA-REE-01122

Availability: In Stock

Description

A 3-meter cable extension that lets you push the REED R8500 video inspection camera further into pipes, ducts, or machinery than the standard cable allows. It connects directly to the R8500 system for deeper reach without sacrificing image or lighting quality.
