Reed R8500-ART 5.5mm Articulating Camera

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R8500-ART 5.5mm Articulating Camera

Manufacturer: Reed Instruments

Model: MEA-REE-01124

Availability: In Stock

Description

An articulating camera head for the REED R8500 with a slim 5.5mm waterproof lens that tilts up to 220 degrees and rotates 340 degrees, giving one-handed control to see around obstructions where a standard flexible gooseneck can't reach. Four LEDs provide illumination in enclosed spaces.
