Reed R9000 HD Pipe Video Inspection System

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R9000 HD Pipe Video Inspection System

Manufacturer: Reed Instruments

Model: MEA-REE-01126

Availability: In Stock

Description

The REED R9000 is a rugged, all-in-one pipe video inspection system built around a 65.6 ft (20 m) waterproof camera cable and a bright 7 inch color LCD monitor housed in a durable carrying case. It records video and audio, captures still images to internal or removable memory, and runs on a rechargeable battery for full-day fieldwork. Ideal for plumbers and inspectors checking sewer lines, drains, and household connection pipes for blockages or damage.
