Reed R9000-RCH Replacement Camera Head For R9000

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R9000-RCH Replacement Camera Head For R9000

Manufacturer: Reed Instruments

Model: MEA-REE-01130

Availability: In Stock

Description

The REED R9000-RCH is an OEM replacement camera head for the R9000 pipe inspection system, featuring the same 23mm waterproof (IP67) housing and LED ring lighting as the original unit. It's a straightforward swap-in part for restoring a worn or damaged R9000 camera without replacing the whole system.
