

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R9000-RCV Receiver For R9000

Manufacturer: Reed Instruments

Model: MEA-REE-01131

Availability: In Stock

Description

The REED R9000-RCV is a handheld 512Hz locating receiver that pairs with the R9000-CAMT transmitter camera head to pinpoint a pipe camera's exact position from ground level. It features a 15-segment LCD signal-strength bar graph, adjustable sensitivity, and roughly 4 hours of runtime on 6 AA batteries, with a carrying case included.
