Reed R9000-SKID Replacement Skid, 48mm For R9000

Professional detailed product specification sheet

This document presents a professional product overview including brand details, availability, specifications, and descriptive information for reference, sales support, and catalog-style distribution.

Product Overview

Reed R9000-SKID Replacement Skid, 48mm For R9000

Manufacturer: Reed Instruments

Model: MEA-REE-01132

Availability: In Stock

Description

The REED R9000-SKID is a 48mm replacement skid guide that mounts around the R9000 camera head to help center and protect it as it travels through pipe interiors, reducing wear on the lens and lighting ring. It's an inexpensive wear part worth keeping on hand for regular inspection use.
